Honorable Kathleen H. Burgess  
Secretary to the Commission  
New York State Public Service Commission  
Empire State Plaza – 14th Floor  
Agency Building 3  
Albany, New York 12223-1350

Re: Application of North America Transmission, LLC and North America Transmission Corporation for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the Public Service Law for an Alternating Current Transmission Upgrade Project Consisting of an Edic to Fraser 345 kV Transmission Line and a New Scotland to Leeds to Pleasant Valley 345 kV Transmission Line  
Case No. 13-T-0454

Proceeding on Motion of the Commission to Examine Alternating Current Transmission Upgrades  
Case No. 12-T-0502

In the Matter of Alternating Current Transmission Upgrades – Comparative Proceeding  
Case No. 13-E-0488

Dear Secretary Burgess:

In compliance with the New York State Public Service Commission (the “Commission”) Order Establishing Modified Procedures for Comparative Evaluation Issued and Effective December 16, 2014, “December 16 Order” as modified by the December 30, 2014 letter ruling that granted extension of certain filing requirements, North America Transmission, LLC and North America Transmission Corporation (collectively “North America”) hereby submit the additional environmental and cost information listed in pages 6 through 10 of Appendix D of the December 16 Order. The requested information is provided in this submittal as follows:

- Attachment 1. Environmental and cost information for North America’s proposed Edic to Fraser transmission line
- Attachment 2. Environmental and cost information for North America’s proposed New Scotland to Leeds to Pleasant Valley

transmission line

Also attached is an Affidavit of Service attesting that electronic copies of the Application are being served on all parties required to be served pursuant to Public Service Law Section 122 (see Attachment 3).

Persons being served electronically are hereby advised that a USB "thumb drive" or paper copy of the application materials will be provided upon request as required by the Commission in Case 12-T -0502, Proceeding on Motion of the Commission to Examine Alternating Current Transmission Upgrades, Notice Clarifying Service Requirements, September 24, 2013, and as directed by Department of Public Service Central Operations Staff and in accord with correspondence from the Secretary to the Commission of September 27, 2013 and January 15, 2015.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Lawrence Willick".

Lawrence Willick  
North America Transmission, LLC
